About EIT Health

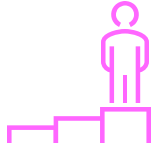

EIT Health is a vibrant community of some of the world's leading health innovators backed by the European Union.

Working across borders, we harness the brightest minds from business, research, education and healthcare delivery to answer some of Europe's biggest health challenges.

Ecosystem community

EIT Health supports cross-border collaboration with 280 partners.

65 GLOBAL INDUSTRY LEADERS

6 of the top 10 global pharma & med-tech companies are part of EIT Health

66 INNOVATIVE UNIVERSITIES

The top 5 and 48% of the top 25 in the Reuters 'Most Innovative Universities' list are EIT Health partners

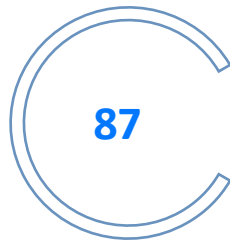

Our impact

We're transforming the way healthcare is delivered in Europe, changing lives, making new leaps in healthcare that puts the patient front and centre.

Innovation

innovation projects supported*

products or services brought to market

Accelerator

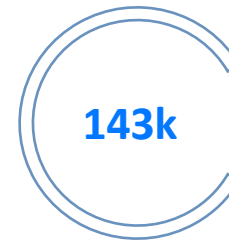

supported more than 1,163 start-ups

millions of additional investment

Education

citizens have been empowered to foster healthier living and prevent disease

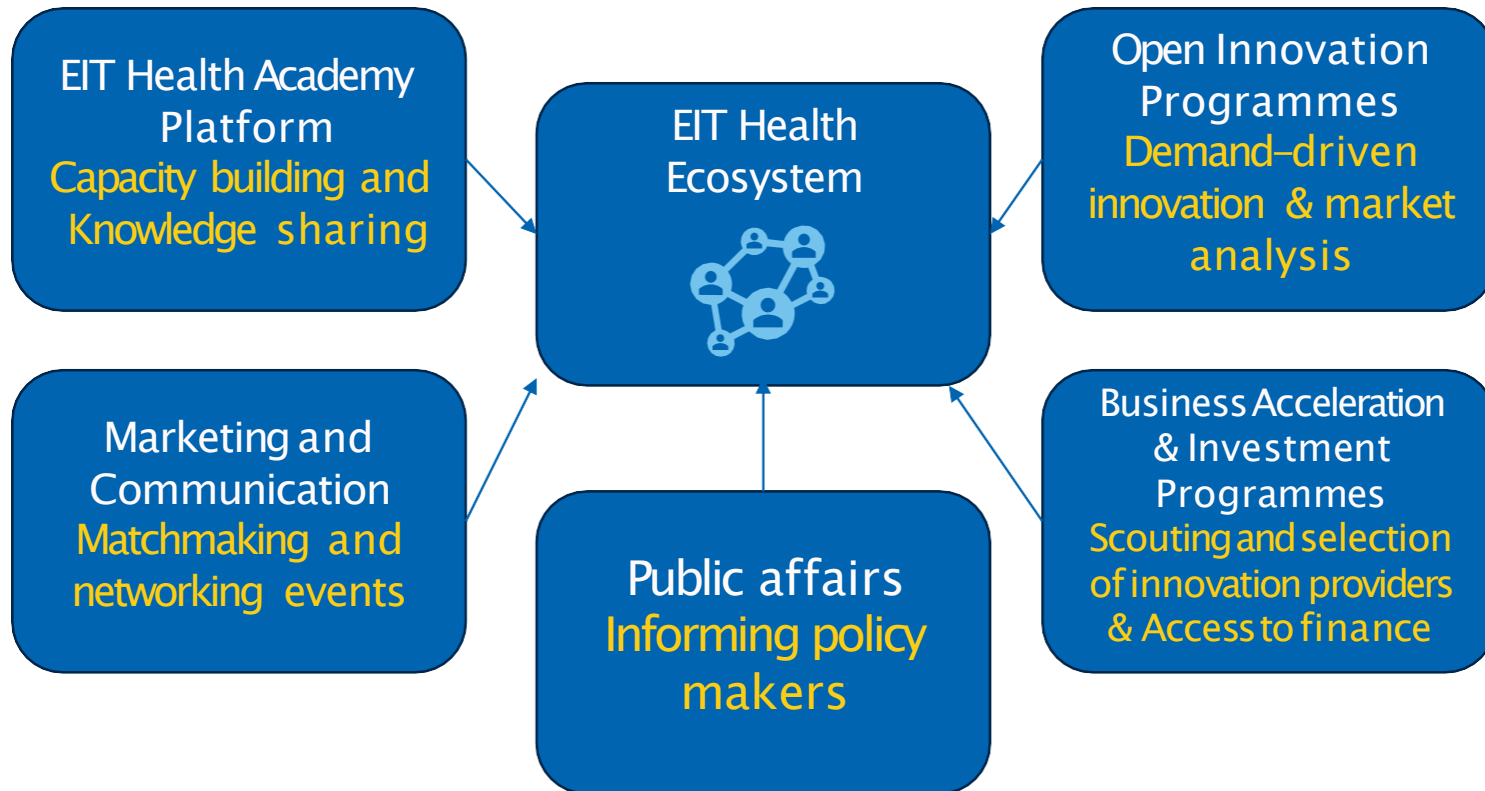

graduates and professionals trained
